Tasting note

Pale salmon in colour, with cherry fruit and a delicate floral lift. The palate is fresh and dry, combining gentle red-fruit flavours with a mineral note. Lively acidity gives a clean, appetising finish and makes this an adaptable choice for the table.

The producer

Based in Penalva do Castelo, Adega de Penalva brings together growers from Portugal's Dão region. The cooperative draws on local vineyards and traditional Portuguese varieties, producing wines that balance ripe fruit with the freshness characteristic of this inland region.

Winemaking

Touriga Nacional and Tinta Roriz are destemmed and crushed without a period of skin maceration. Fermentation takes place in cement vats at around 16°C. This approach retains a pale colour and a bright, fruit-led style.

Food pairing

Grilled fish, sushi, prawn salad or a vegetable tart.
