The producer

Founded in 1985, Quinta das Arcas is a family-run producer in Portugal's Vinho Verde region. Working with native grape varieties in Atlantic-influenced vineyards, the estate focuses on the fresh, light style that makes this corner of Portugal so appealing.

Winemaking

Cool maritime conditions help preserve acidity and delicate aromas. The varieties are vinified separately, with fermentation in temperature-controlled stainless steel tanks. The wine is bottled young to retain its bright fruit, freshness and gentle spritz.

Food pairing

Shellfish, seafood, fresh salads and light Mediterranean dishes.
