The producer

Bella Modella brings a modern approach to Italian wine, focusing on freshness, consistency and accessible prices. The range draws on vineyards across regions including Abruzzo, Veneto and Sicily. This rosé comes from Abruzzo, combining an uncomplicated, fruity style with the versatility that makes Pinot Grigio so popular.

Winemaking

Grapes are harvested by hand and machine, gently pressed and fermented with selected yeasts below 20°C. The wine is then held in stainless steel, protected from oxygen to retain its delicate aromas. No oak is used, preserving the fresh fruit and light, clean style.

Food pairing

Seafood risotto, grilled fish, fresh cheeses and summer vegetables. Also lovely chilled as an aperitif.
