Cape Wild Chenin Blanc

Cape Wild

Generous Western Cape Chenin with ripe peach, melon and zesty lime. Fresh, fruity and softly textured.

Country	South Africa
Region	Western Cape
Grapes	Chenin Blanc
Vintage	2025
Alcohol	12.5% ABV
Bottle size	750 ml
Style	White, dry, soft and fruity
Suitability	Vegan and vegetarian

Tasting note

Ripe peach, juicy melon and tropical fruit lead into a bright twist of lime. The palate is dry, with a rounded, honeyed texture and a little more weight than a simple crisp white. Fresh acidity keeps the fruit lively, carrying through to a tangy citrus finish.

The producer

Cape Wild takes its inspiration from the landscapes and biodiversity of South Africa's Western Cape. The range draws on selected vineyards across the region, with an emphasis on its signature grape varieties. These are approachable wines that celebrate generous fruit, freshness and everyday value.

Winemaking

Grapes come from Western Cape vineyards, where cooling ocean influences temper the warm sunshine. The juice ferments naturally in stainless steel, then spends around nine months on fine lees. This adds body and texture while preserving the fruit. The wine is made without oak ageing.

Food pairing

Grilled chicken, seafood, creamy pasta or chargrilled vegetables. A versatile white for the table.
