Region	Sicily
Grape varieties	Pinot Grigio, Chardonnay
Vintage	NV
Alcohol	11% ABV
Bottle size	750 ml
Style	White, dry, fresh and easy-drinking
Suitability	Vegan and vegetarian

Tasting note

Lemon, green apple and pear lead this crisp, approachable white. Pinot Grigio gives freshness and lift, while Chardonnay adds a gentle roundness. A light mineral note carries through the finish, making it an easy choice as an aperitif or alongside simple seafood dishes.

The producer

Dea del Mare is a range from The Wine People, the Italian wine company founded by Stefano Girelli. Working with growers across Italy, the team focuses on approachable regional wines. This Sicilian blend captures the relaxed, food-friendly character of the range.

Winemaking

The varieties are picked separately, gently pressed and fermented at cool temperatures in stainless steel. A short period on the fine lees adds texture. No oak is used, keeping the citrus and orchard-fruit flavours clear and fresh.

Food pairing

Seafood linguine, grilled chicken, summer salads or antipasti.
