Tasting note

Black cherry, damson and blackberry fill a supple, easy-drinking palate. Merlot brings roundness, while Cabernet Sauvignon adds gentle structure and savoury freshness. Soft tannins keep it approachable.

The producer

Dea del Mare is part of The Wine People, founded by Stefano Girelli. The company works with growers across Italy to make approachable regional wines, with this Sicilian red designed for relaxed drinking and everyday food.

Winemaking

Fruit from sustainably managed Sicilian vineyards is destemmed and fermented in temperature-controlled stainless steel. Around three weeks on the skins builds colour and soft tannins. The wine is bottled without oak ageing.

Food pairing

Pizza, tomato-based pasta, grilled sausages or roasted aubergine.
