Grapes	100% Riesling
Vintage	NV
Alcohol	0.0% ABV
Bottle size	750 ml
Style	Alcohol-free sparkling white, off-dry
Farming	Sustainably grown
Suitability	Vegan and vegetarian

Tasting note

Fresh citrus, apple and peach lead into tropical fruit and a hint of spice. Lively bubbles and crisp Riesling acidity balance the gentle sweetness, giving a bright, refreshing finish. An easy choice for an alcohol-free aperitif, with enough fruit and flavour to enjoy alongside food.

The producer

Dr. Lo is made by Loosen Bros., the partnership of Ernst Loosen and his younger brother Thomas. They work with small growers across the Mosel, with wines made by the same cellar team as the Dr. Loosen estate. Riesling's fruit and freshness remain central to the alcohol-free range.

Winemaking

Mosel Riesling is fermented in stainless steel, then chilled to retain natural grape sweetness. Gentle vacuum distillation removes the alcohol while preserving its aromas. Carbon dioxide is added afterwards for the sparkle. No grape must is needed to sweeten the finished drink, keeping the Riesling character clear.

Food pairing

Sushi, Vietnamese summer rolls, lightly spiced prawns or fresh salads.
