The producer

Founded in 2016 by winemaker Ben Witchell, Flint Vineyard is based in the Waveney Valley on the Norfolk-Suffolk border. Drawing on experience in England and France, Ben combines careful winemaking with experimentation, helping establish Flint as a pioneer of English Charmat-method sparkling wine.

Winemaking

A blend of classic and disease-resistant grape varieties is fermented cool in stainless steel with aromatic yeasts. A small proportion of reserve wine adds depth. A second fermentation in pressurised Charmat tanks creates the natural fizz, preserving bright fruit and giving the wine its soft, lively bubbles.

Food pairing

Seafood platters, zesty salads and charcuterie.
